18 The above-referenced matter was last heard on February 3, 2011, and continued to
19 April 6, 2011, for a Motion to Suppress. Counsel for Mr. Moore just recently came into
20 possession of additional material that is pertinent to the motion. Because of required
21 attention to matters in both this court and a local state case, counsel was unable to
22 complete the motion in a timely manner and additional time is necessary to allow a timely
23 response. Attorney Gordon Brown has discussed this fact with Mr. Moore and he is
24 agreeable to a continuance to June 29, 2011, with the understanding that time would be
25 excluded pursuant to 18 U.S.C. §§ 316(h)(7)(A) and (B)(iv).
